There are 2 ways to walk/bike to the St. Malo Prov. Park from Debonair Campground. One is to walk past Debonair Beach heading South, then left at site 101 then turn right up to the end of 2nd street. You will see the main gate to your left. To get to the hiking trails, head East down PR 403 then turn right on the service road. To drive, you need to drive West down 403 up to 59, then left on 59 and left again at the Co-op Gas bar.
